

FISCAL NOTE

SB 1190 - HB 1487

February 28, 2003

SUMMARY OF BILL: Provides for an individual who has the equivalent of a learner permit from another state for not less than 180 days to qualify for an intermediate driver license.

ESTIMATED FISCAL IMPACT:

State Revenues - Net Impact - Not Significant

Estimate assumes:

- under current law, individuals with out-of-state learner permits are required to obtain and hold a Tennessee learner permit for 180 days in order to be eligible for the intermediate driver license.
- the state will experience a not significant decrease in revenues from learner permit fees as holders of out-of-state learner permits for more than 180 days will not be required to obtain one in Tennessee.
- the state will experience a not significant increase in revenues from fees paid for intermediate driver licenses obtained prior to when they would have been available under current law.
